CABINET NOTE. ದೃಢೀಕೃತ ಪ್ರತಿ

Subject:- C.49/64.

Free Grant of land for the first Pestalozzi Orphan Children's Village of India to be located in Mysore State.

Shri A.R. Adakiappa Chettiar presented to the Chief Minister on 28-8-1963 an application for the grant of land in Machohalli Plantation in Nelamangala Taluk for the location of the first Pestalozzi Orphan Children's Village of India. The Chief Minister minuted thereon as follows:-

" It was informally discussed in the Cabinet some time back and in view of the importance and nature of the social work that this institution does for the orphans of society, sufficient land may be given for the purpose. The draft of the Trust Deed may be studied by the Law Department before the land is granted as early as possible."

2. The Deputy Commissioner, Bangalore (Rural) District was requested to send a report regarding the availability of the land. The Deputy Commissioner has reported after spot inspection and in consultation with the District Forest Officer that, a little more or less, 100 acres of land would be available in the Machohalli Plantation for grant in favour of the Institution. The Minister for Revenue and the Minister for Forests have no objection to the grant of this land in favour of this Institution.

3. Again, Sri A.R.Adakiappa Chettiar requested in his letter dated 13-9-1963 that even though there might be some delay in the issue of formal orders of Government about the grant of this land, a formal letter might be given to him indicating the readiness of the State Government to place about 100 acres of land at his disposal for the purpose. As per instructions of the Minister for Revenue, a letter was issued to Shri Chettiar accordingly.

4. The Divisional Commissioner, Bangalore Division has reported that 97 acres of lands are available for grant in Machohalli Plantation (excluding an area of 25 acres already granted to third parties and an area of 18 acres under untuthorised cultivation which is being cleared separately) and recommended that this area might be disafforested and granted to the Trust.

5. When the Trust Deed was referred to the Law Department, that Department has suggested that the land might be granted after the Trust Deed was suitably amended by Shri Chettiar. The Trust Deed was amended as indicated by the Law Department and it was executed on a Stamped paper and registered by Sri Chettiar on 20-11-1963.

6. The Agriculture and Forest Department has issued an order in its order No. AFD 115 FGN 63 dated 6-1-1964 surrendering an area of 97 acres of land in Machohalli Plantation in favour of the Revenue Department for being granted for the location of the First Pestalozzi Orphan Children's Village of India, subject to the following conditions:-

a) The land with the trees standing thereon shall be granted free of occupancy price and the value of the trees.

b) The Trust shall use the lands only for the purposes directly connected with the purposes of the Trust.

c) The land shall not be alienated or encumbered except in accordance with the terms of the Trust Deed.

d) The land with the buildings and structures thereon shall be liable to be resumed to Government if the lands are alienated or encumbered except in accordance with the terms of theTrust Deed and in such event no compensation shall be payable to the Trust in pursuance of such resumption.

e) The Trust shall be liable to pay to Government such land revenue and other charges as are determined by Government from time to time.

7. As the cost of the lands exceeds Rs.25,000/- the matter is placed before the Cabinet for consideration orders on whether the land may be granted to the Trust subject to the conditions indicated above.

26 The C.C.F. has sought clarifications on two points with regard to the G.O. No. AFD 115 FGN 63 dated 6-1-1964 according sanction for the release of an area of 97 acres out of Machohalli plantation for the sake of First Pestalozzi Orphan Children's Village of India started by Sri Adikappa Chettiar. The C.C.F. has stated that the actual area available is 96 acres and 12 guntas only. As an area of 97 acres has been indicated in the G.O., he has stated that an amendment being made to restrict the land to 96 acres and 12 guntas only. Secondly, he has sought orders that whether the area may be handed over to the R.D. after disposing of the existing tree growth or whether the cost incurred by the department in raising this plantation may be recovered from the grantee, Since in the G.O. already issued, it has been indicated that the land may be disposed of with the usual terms and conditions that are in vogue in the R.D.

27 Regarding the first point, the extent of area was taken as 97 acres as per notings in R.D. file No. RD 141 GNA 63 vide extract given in para 12 of n/f. . If it is actually 96 acres and 12 guntas and if the balance is not readily available in view of encroachments ~~and if it is an encroached area~~, there may not be any objection for amending the G.O. to facilitate the release of land quickly to the party who is pressing for the same. Otherwise, we will have to wait till the encroachments is removed with regard to 28 guntas and than hand over the same.

28) R.D. will be consulted as to whether it is desirable to effect the amendment to the G.O. in the circumstances explained by the C.C.F.

29) Regarding second point also, R.D. will be requested to give their advice as to whether the usual conditions of removing the malki by the Forest Department and then handing over the possession to the R.D. for being given to the grantee is desirable or whether it is better to collect the cost involved in raising the plantations as suggested by the C.C.F. particularly when the area is required for a public purpose viz: First Pestalozzi Orphan Children's Village for which purpose to leave the trees themselves as they are may be an additional advantage.

I invite your reference to this office letter No. B3-GFL-1700/63 dated 21-2-1964 under which Government was requested to issue orders regarding the disposal of tree growth in the area and also regarding the recovery of the cost incurred by the Forest Department in raising the plantation over the area. Government in the Revenue Department in their order No RD 141 GNA 63 dated 10/13-March 1964 have ordered to grant the area under reference with the trees standing therein free of value of the trees. It is presumed that the concurrence of the Forest branch was obtained before issue of the G.O. dated 10/13-3-1964 by the Revenue Department. However this order has already been communicated to the Divisional Forest Officer Bangalore for taking further action. But in the above Government Order, orders regarding the recovery or otherwise of the cost incurred by this Department in raising the plantation are not issued and hence orders in this behalf may please be issued early.

CABINET NOTE.

Subject:- C.49/64.

Free Grant of land for the first Pestalozzi Orphan Children's Village of India to be located in Mysore State.

Shri A.R. Adakiappa Chettiar presented to the Chief Minister on 28-8-1963 an application for the grant of land in Machohalli Plantation in Nelamangala Taluk for the location of the first Pestalozzi Orphan Children's Village of India. The Chief Minister minuted thereon as follows:-

" It was informally discussed in the Cabinet some time back and in view of the importance and nature of the social work that this institution does for the orphans of society, sufficient land may be given for the purpose. The draft of the Trust Deed may be studied by the Law Department before the land is granted as early as possible."

2. The Deputy Commissioner, Bangalore (Rural) District was requested to send a report regarding the availability of the land. The Deputy Commissioner has reported after spot inspection and in consultation with the District Forest Officer that, a little more or less, 100 acres of land would be available in the Machohalli Plantation for grant in favour of the Institution. The Minister for Revenue and the Minister for Forests have no objection to the grant of this land in favour of this Institution.

3. Again, Sri A.R.Adakiappa Chettiar requested in his letter dated 13-9-1963 that even though there might be some delay in the issue of formal orders of Government about the grant of this land, a formal letter might be given to him indicating the readiness of the State Government to place about 100 acres of land at his disposal for the purpose. As per instructions of the Minister for Revenue, a letter was issued to Shri Chettiar accordingly.

4. The Divisional Commissioner, Bangalore Division has reported that 97 acres of lands are available for grant in Machohalli Plantation (excluding an area of 25 acres already granted to third parties and an area of 18 acres under untuthorised cultivation which is being cleared separately) and recommended that this area might be disafforested and granted to the Trust.

5. When the Trust Deed was referred to the Law Department, that Department has suggested that the land might be granted after the Trust Deed was suitably amended by Shri Chettiar. The Trust Deed was amended as indicated by the Law Department and it was executed on a Stamped paper and registered by Sri Chettiar on 20-11-1963.

6. The Agriculture and Forest Department has issued an order in its order No. AFD 115 FGN 63 dated 6-1-1964 surrendering an area of 97 acres of land in Machohalli Plantation in favour of the Revenue Department for being granted for the location of the First Pestalozzi Orphan Children's Village of India, subject to the following conditions:-

2

a) The land with the trees standing thereon shall be granted free of occupancy price and the value of the trees.

b) The Trust shall use the lands only for the purposes directly connected with the purposes of the Trust.

c) The land shall not be alienated or encumbered except in accordance with the terms of the Trust Deed.

d) The land with the buildings and structures thereon shall be liable to be resumed to Government if the lands are alienated or encumbered except in accordance with the terms of theTrust Deed and in such event no compensation shall be payable to the Trust in pursuance of such resumption.

e) The Trust shall be liable to pay to Government, such land revenue and other charges as are determined by Government from time to time.

7. As the cost of the lands exceeds Rs.25,000/- the matter is placed before the Cabinet for consideration and orders on whether the land may be granted to the Trust subject to the conditions indicated above.
